Directions to EEA at 100 Cambridge Street, Boston:

NOTE: When entering the offices at 100 Cambridge Street from Cambridge Street itself, take the escalator to the security desk located on the second floor. You also may enter from the second floor plaza between Bowdoin and Somerset Streets.

Via Public Transportation:

100 Cambridge Street is the high-rise behind the new brick shops and condominiums at the corner of Cambridge and Bowdoin Streets, opposite the Bowdoin stop on the Blue Line. Connections are possible via the Orange line at State Street. Other nearby stops include Government Center and Park Street on the Green line, and Park Street and Charles Street on the Red Line. It is a ten minute walk from North Station: if coming from the Orange line, turn left (if coming from the Commuter Rail, turn right) in front of the station onto Causeway Street, which becomes Staniford St. Go straight up Staniford Street until it ends at Cambridge Street. Take a left on to Cambridge Street and go one block to the corner of Cambridge and New Chardon Streets. 100 Cambridge Street is on the far corner.
